SECTION 2: COMPANY INFORMATION

Company Name	
Contact Person	Title
Street Address	City/State/Zip
Work Phone	Fax
Contact's Email Address	Company Website Address

SECTION 3: ESTIMATED QUANTITY

_____ Items

SECTION 4: DESCRIPTION

The Toy Bank is happy to accept all types of new toys for children in need. Please provide a brief description of your donation. If possible, attach an inventory list or additional product information such as website descriptions, catalogs, etc. **Please note that there are specific needs for some TIF partners.** For example, My Stuff Bags can only accept items that will fit into a duffel bag, and are particularly in need of plush items. For more information, please contact us at thetoybank@toyindustryfoundation.org.

SECTION 5: FAIR MARKET SELLING PRICE

Fair Market Selling Price is what the recipient charity would pay for your product in the normal marketplace. Because this information is used to provide your company's tax documentation, please provide the most accurate value possible.

\$

SECTION 7: SAFETY INFORMATION

Consumer Use: Those associated with The Toy Bank encourage the donation of products classified for consumer use. If your donation does not fit this classification of products, please check here . If this box has been checked, a representative from the product donation team will need to discuss and confirm our acceptance of the donation. Products that do not fit the consumer use classification which are shipped by the donor *without prior approval* will be returned to the donor, and all charges incurred will be forwarded to the company for payment. Initial _____

Hazardous Material: The inventory, including its advertising, labeling, packaging, manufacture, delivery and sale, conforms to all state, federal, and local laws and applicable regulations, including but not limited to the Wool Products Labeling Act of 1939, as amended; Fur Products Label Act; Textile Fiber Products Identification Act; consumer Products Safety Act; consumer Products Safety Improvement Act of 2008; Flammable Fabrics Act; California and any other state foam/upholstered furniture flammability standards; Federal Hazardous Substances Act, as amended; Federal Food, Drug, and Cosmetic Act; Child Safety Protection Act; Labeling of Hazardous Arts Materials Act; and California’s Safe Drinking Water and Toxic Enforcement Act (“Proposition 65”). Initial _____

SECTION 8: SIGNATURE

By signing this agreement, the donor shall indemnify, defend and hold harmless the Toy Industry Foundation and it’s Trustees, directors, volunteers, employees and agents, against and from any and all claims, actions, costs, expenses (including reasonable attorney’s fees), losses, damages, injuries, or liabilities arising from or on account of any claim, action or proceeding brought against TIF and its servants, employees and agents, in connection with the manufacture, sale or use of donor’s products. Donor represents that it maintains product liability insurance in excess of 3 Million Dollars per claim. **The retail selling price and donation information will be shared between recipient charity partners and the Toy Industry Foundation.**
